

Federal Election - Voting Checklist

This is my plan for voting:

- I plan to vote in person on election day.
- I plan to vote in person at an advance poll (early voting).
- I plan to vote before election day by mail (using a vote-by-mail kit).

Identification (ID) for voting:

- I am bringing my government-issued ID with photo and address (driver's licence).
- I am bringing two different types of ID with my name and address ([click here for a list of ID](#)).
- I don't have ID and I need to bring someone along to vouch for me.

What do I need to make my voting experience successful?

These are things that I want in the voting booth:

- Large-grip pencil
- Magnifying glass
- Support from Elections Canada staff
- My own support person
- List of candidates in large print
- Braille voting template (only on election day)

I will call at least one week before election day to ask for one of these services (1-800-463-6868 or 1-800-361-8935 [TTY]):

- Vote-by-mail kit
- Sign language interpretation
- Polling place accessibility

Is there anything else that I need?

If you need help or have questions, let the poll staff know.
